Complete this form if you would like to appoint an agent to act on your behalf. Your agent must also sign this form.

An agent is a person or organisation who acts in the interests of another. A person can be made an agent by the consent of both the client and the prospective agent, by way of a court order or, in exceptional circumstances, without a client’s consent.

**What can an agent do?**

What an agent can do depends on what role you want them to have. You must decide exactly what rights and responsibilities you want to grant your agent; you may also specifically exclude the agent from doing certain things. Currently, agents are not able to create or access students’ online MyStudyLink accounts.

**Receiving your payments**

You need to complete this form if you would like your agent to receive your payments for Jobseeker Support Student Hardship or any other benefit payment or extra help assistance.

If you would like an agent only to receive your payments for your Student Allowance, Student Loan or scholarship you do not need to complete this form. You can go to [www.studylink.govt.nz](http://www.studylink.govt.nz) to change your bank account through MyStudyLink.

**Note:** you will still need to complete this form if you want an agent to act for you in any other way.

**What you need to do:**

When you appoint an agent:

- both you and your agent need to complete this form, and
- you need to provide two documents that prove who your agent is, for example, a verified copy of your agent’s birth certificate, driver’s licence or Community Services Card.

If your agent is an organisation or company, a business card or letter on official letterhead will be acceptable identification.

**Note:** This form only applies to information and applications held and maintained by StudyLink. It does not cover information held and maintained by Inland Revenue.

Seven steps to student finances

Exams finish

STEP 1 – Apply at www.studylink.govt.nz for financial assistance

STEP 2 – We will start processing the application
We’ll check the information that’s given to us and get things underway. Nothing needs to be done at this point unless we make contact.

STEP 3 – We will make contact
We’ll send a letter advising what we need next. The letter needs to be signed and returned (if required) and any documents we’ve asked for need to be sent to us.

STEP 4 – Use MyStudyLink to track the application:
• check to see if documents have been received
• check the Student Allowance and Student Loan status
• view and accept the Student Loan Contract
• view and update personal details
• apply for course-related costs
• view mail.
Please note: MyStudyLink only displays payments and information relating to Student Loan, Student Allowance and scholarships.

STEP 5 – We check study details with the education provider
Enrolment needs to be fully completed before this can happen.

STEP 6 – We will finish processing the application
We’ll send a letter advising what we have assessed entitlement for and when the payments will start.

STEP 7 – Payments can start
The earliest that payments can start is in the second week of the course. This is because we make payments in arrears.

If an application for Jobseeker Support Student Hardship has been made, we’ll send a letter advising what happens next. Enough time needs to be allowed for all seven steps to be completed, so the application needs to be made as soon as possible. If the application is not made on time or we don’t receive all the information we need, we can’t make payments on time.
