Seven steps to student finances

Exams finish

STEP 1 – Apply at www.studylink.govt.nz for financial assistance

STEP 2 – We will start processing the application

We’ll check the information that’s given to us and get things underway. Nothing needs to be done at this point unless we make contact.

STEP 3 – We will make contact

We’ll send a letter advising what we need next. The letter needs to be signed and returned (if required) and any documents we’ve asked for need to be sent to us.

STEP 4 – Use MyStudyLink to track the application:

- check to see if documents have been received
- check the Student Allowance and Student Loan status
- view and accept the Student Loan Contract
- view and update personal details
- apply for course-related costs
- view mail.

Please note: MyStudyLink only displays payments and information relating to Student Loan, Student Allowance and scholarships.

STEP 5 – We check study details with the education provider

Enrolment needs to be fully completed before this can happen.

STEP 6 – We will finish processing the application

We’ll send a letter advising what we have assessed entitlement for and when the payments will start.

STEP 7 – Payments can start

The earliest that payments can start is in the second week of the course. This is because we make payments in arrears.

If an application for Student Allowance has been made, we’ll send a letter advising what happens next. Enough time needs to be allowed for all seven steps to be completed, so the application needs to be made as soon as possible. If the application is not made on time or we don’t receive all the information we need, we can’t make payments on time.
