Complete this form if you are applying for Independent Circumstances as part of your Student Allowance and you are under 24 years old without children, and are separated and independent from both of your parents. You will also need to complete a Student Allowance application. The best way to do this is online at www.studylink.govt.nz

A parent includes a natural or adoptive parent, step-parent1, partner2 of a parent, some caregivers, and any other person acting in place of a parent3 who is financially responsible for the student.

A person (including their spouse or partner) who is, or has been, a caregiver of a student is not considered a parent if they:

• are receiving or have received a Foster Care Allowance, Orphan’s Benefit or Unsupported Child’s Benefit for the student, or
• are providing or have provided a Transition Support Living Arrangement through Oranga Tamariki for the student.

If neither of your parents support you, you need to have one of the following exceptional circumstances to be eligible for the Independent Circumstances Allowance:

• You can’t live with or be supported by your parents because of a family breakdown.
• You are (or have been) living with a caregiver or an appointed legal guardian.4
• You are an orphan, and you haven’t lived with someone acting as a parent.
• One of your parents is in prison or a psychiatric hospital and the other parent can’t be responsible for you.
• You have other exceptional circumstances5 that mean it would be unreasonable for you to live with and receive financial assistance from any parent.

We may need to speak to someone who can confirm your situation. If you’ve already spoken to a professional (such as a doctor, counsellor, lawyer or someone else of standing in the community) who is familiar with your situation, you can ask them to complete the supporting statement included with this application. Otherwise we may:

- need to speak to your parent(s) or someone else who can confirm your situation, or
- ask you to meet with someone to discuss your application.

---

1 A step-parent is a person who is married, or in a civil union or de facto relationship with, the parent of the student.
2 A partner is a person who is married, or in a civil union or de facto relationship with, the parent of the student.
3 A person acting in place of a parent can include grandparents, other relatives (including whangai), and some current and former caregivers and guardians of the student.
4 People who have been appointed as a guardian by the Family Court.
5 Exceptional circumstances means circumstances that are highly unusual, or far beyond what is ordinary. The circumstances would need to be beyond your control. Choosing to live or study in a different city/town from your parents is not considered exceptional circumstances.

You must give us all the information we need.

If you do not have all the information we need, talk with us and we may be able to help.

If we find out later that any information you give us is not true, or that you knew information you should have told us and did not tell us, we may stop your payments. You might need to pay money back, we may impose a penalty, and you could be prosecuted.
Before you start – Read this page

Here are some important things you need to know before you complete your application.

Use blue or black ink only

When completing your application you must only use blue or black ink. If your application has been completed in any other colour we might get you to complete another one.

Answer all the questions

It’s important to answer every question in your application. If a question doesn’t apply to you, use ‘N/A’ or ‘nil’. Don’t leave the space blank, unless indicated on the form, as this could delay the process and you may not get paid on time.

You may need to provide documents

When you apply for Student Allowance, you may need to provide certain documents as part of your application - these are listed on page 6.

All documents sent to StudyLink must be a verified copy. A verified copy is a copy of the original document which has been signed and dated by someone like a Solicitor/Lawyer, Notary Public, Court Registrar, an approved person at an education provider, school principal, StudyLink or Work and Income staff member or Justice of the Peace (listed in the Yellow Pages) who can confirm that the copy is the same as the original. They must print their name and title on each page and write that it is a true copy and sign it.

The best way to send your documents to us is online using www.connect.co.nz. Please remember to include your name and client number with any documents you send to us. For more information visit www.connect.co.nz.

Remember to sign and date this application on pages 6 and 7 – and make sure anyone else who needs to sign it has done so.

How to return this form

The easiest and fastest way to return your completed form to us is online using www.connect.co.nz. Please remember to include your name and client number.

For more ways to contact us, visit our website www.studylink.govt.nz.

IMPORTANT: Remember you also need to apply for a Student Allowance at www.studylink.govt.nz

We need to receive your Student Allowance application by the end of the first week of your course (or the date you qualify if that’s later) or you may miss out on some payments. If you apply late it is unlikely your payments will be backdated.

Seven steps to student finances

Exams finish

STEP 1 – Apply at www.studylink.govt.nz for financial assistance

STEP 2 – We will start processing the application

We’ll check the information that’s given to us and get things underway. Nothing needs to be done at this point unless we make contact.

STEP 3 – We will make contact

We’ll send a letter advising what we need next. The letter needs to be signed and returned (if required) and any documents we’ve asked for need to be sent to us.

STEP 4 – Use MyStudyLink to track the application:

• check to see if documents have been received
• check the Student Allowance and Student Loan status
• view and accept the Student Loan Contract
• view and update personal details
• apply for course-related costs
• view mail.

Please note: MyStudyLink only displays payments and information relating to Student Loan, Student Allowance and scholarships.

STEP 5 – We check study details with the education provider

Enrolment needs to be fully completed before this can happen.

STEP 6 – We will finish processing the application

We’ll send a letter advising what we have assessed entitlement for and when the payments will start.

STEP 7 – Payments can start

The earliest that payments can start is in the second week of the course. This is because we make payments in arrears.

If an application for Student Allowance has been made, we’ll send a letter advising what happens next. Enough time needs to be allowed for all seven steps to be completed, so the application needs to be made as soon as possible. If the application is not made on time or we don’t receive all the information we need, we can’t make payments on time.
