Student Allowance/Student Loan/Scholarship Overseas study application form

Complete this form if you want to apply for a Student Allowance/Student Loan/Scholarship for overseas study. You can also apply for your Student Allowance or Student Loan online at www.studylink.govt.nz

To get a Student Loan or Student Allowance you need to be enrolled at a tertiary education provider in New Zealand and studying overseas on an approved programme.

If you’re studying at an overseas campus or delivery site of a New Zealand provider, you also need to be studying:

- in regions the Government wishes to expand its commercial and social linkages – visit Education New Zealand for a list of these countries
- level 7 or higher on the New Zealand Qualifications Framework
- part of the qualification in New Zealand
- full-time and not studying extramurally

If you’re a permanent resident and are going overseas as part of your course, you can’t be enrolled extramurally and you need to be studying in a country that you have never been to or have not spent more than six months in, over the last five years.

Secondary students must be studying through a recognised exchange organisation and must have attended a New Zealand secondary school prior to commencing the exchange programme. Note – secondary school students are not eligible to receive a Student Loan.

It’s a good idea to appoint an agent to act on your behalf while you’re overseas, particularly if you won’t have regular access to the internet. If you want to appoint an agent, you and your agent need to complete the Appointment of Agent in Part 4, beginning on page 8.

If you need to contact us while you’re studying overseas please visit our website www.studylink.govt.nz, you can also check and update your details using MyStudyLink.

You must give us all the information we need.

If you do not have all the information we need, talk with us and we may be able to help.

If we find out later that any information you give us is not true, or that you knew information you should have told us and did not tell us, we may stop your payments. You might need to pay money back, we may impose a penalty, and you could be prosecuted.
Before you start – Read this page

Here are some important things you need to know before you complete your application.

**Use blue or black ink only**

When completing your application you must only use blue or black ink. If your application is completed in any other colour we might get you to complete another one.

**Answer all the questions**

It’s important to answer every question in your application. If a question doesn’t apply to you, use ‘N/A’ or ‘nil’. Don’t leave the space blank, unless indicated on the form, as this could delay the process and you may not get paid on time.

**You may need to provide documents**

All documents sent to StudyLink must be a verified copy. A verified copy is a copy of the original document which has been signed and dated by someone like a Solicitor/Lawyer, Notary Public, Court Registrar, an approved person at an education provider, school principal, StudyLink or Work and Income staff member or Justice of the Peace (listed in the Yellow Pages) who can confirm that the copy is the same as the original. They must print their name and title on each page and write that it is a true copy and sign it.

The best way to send your documents to us is online using [www.connect.co.nz](http://www.connect.co.nz). Please remember to include your name and client number with any documents that you send to us. For more information visit [www.connect.co.nz](http://www.connect.co.nz)

If you need more information, visit our website [www.studylink.govt.nz](http://www.studylink.govt.nz)

**Sign and date the form**
